

Conservation Commission Meeting  
7 September 2023

Meeting began at 5 pm. In attendance: Chris Caron, Chelsea Petereit, Rachel O'Meara  
Minutes from last meeting were amended and approved. Chelsea/Chris.  
3/o.

NHACC conference is 4 November. We discussed attending and carpooling. Chris will check with Town Office about the best way to pay.

NRI-We will hold a public meeting for planning and informational purposes on Thursday, December 7 at 6:30. Notices will be posted on the Town Website, Town Facebook page, at Town Hall and the Post Office. We will also send a letter to interested parties: including Town Boards, Town Recreation Clubs, Conservation Groups with holdings in Stratford, and others. Rachel will draft the notice and letter.

We also thought it would be good to have some large town maps available at the meeting, and examples of NRIs from other towns: Chris will obtain these.

We finally discussed having a list of Town-owned properties.

Our next meeting will be Thursday 2 November.

Respectfully Submitted:  
Rachel O'Meara
